

Escape the Chains, Explore a Smokey Mountain Treasure

"Some say it's the summer breezes that sweep through the mountains, others say it's the friendly attitude you develop at this altitude. One thing is for sure, Maggie Valley has earned its reputation as the coolest valley in the Smokies."

Welcome to Maggie Valley, North Carolina! Our goal is to make your stay at the Meadowlark Motel an experience to remember, for we are not a chain hotel, we are a Smoky Mountain Treasure.
