Escape the Chains, Explore a Smoky Mountain Treasure

Nestled in beautiful Maggie Valley, surrounded by the Great Smoky Mountains, known for lush valleys and high mountain vistas, is the Meadowlark Motel. Family owned and operated for over 40 years and open year round, the Meadowlark has continued to serve up home-style accommodations and friendly, hospitality to their guests.

The spacious, sunny, well appointed accommodations, with modern amenities, include creek side cabins, kitchenettes, Jacuzzi rooms, some adjoining rooms, as well as large King and Queen rooms. All close to restaurants, shops and attractions.

This 4 acre property has over 200 feet of gently sloping creek frontage. Beautiful, bubbling Jonathan Creek is state stocked with trout and a great place to fish or just relax and listen to the roar of the creek or the silence as the mountains sleep. The 3/4 acre recreation area has a new 24 X 40 Pavilion with kitchen, rest room, outdoor furniture and a BBQ pit.

We accept all major credit cards and offer AAA, AARP and event discounts. We welcome pets (\$10.00 pet fee) and have plenty of space for them to exercise. Meadowlark is a Preferred Lodging Provider for Ghost Town in the Sky and has discount tickets available. Packages are available for weddings, anniversaries, birthdays, reunions, meetings and groups. As members of the Haywood County Hotel and Motel Association, we abide by Quality Standards and believe in and provide excellent customer service.
